RE: Addendum 1  
RFQ-AAC-19-002  
Pre-Engineered Membrane Structure

The following questions have been asked:

1. Paragraph 1.2 C.4 – Line 2 - Delete the words “either the interior or exterior membrane.” And replace with “the exterior membrane.”
2. Is insulation required? ANSWER – No
3. Will any HVAC be installed? ANSWER – No, but see 1.2 A.9.
4. What sort of foundation/anchoring surface will be provided? ANSWER – Two (2) feet of compacted gravel, which will require appropriate in-ground anchoring devices.
5. What are the lighting requirements at 2.2 C? ANSWER – The building will be used for maintenance and storage functions. Provide lighting quote as a separate line and only as an Additive Alternate for installation of high bay LED lighting.
6. Door details are located at 2.2 B and D.
7. Paragraph 1.1 B.1 – Line 1 – Delete “2009” and replace with “2012”.

The submittal deadline remains 4 PM on November 23, 2018. Please acknowledge receipt of this Addendum 1 at the bottom of the RFQ form. Failure to acknowledge receipt of this and any future addendums may result in rejection of the proposal.

All addendums are posted on the AGC, Plans Room and AAC web sites.

Please contact Art Isham at 907-561-3338 or [art.isham@akaerospace.com](mailto:art.isham@akaerospace.com) if you require any additional information.

Sincerely,

A handwritten signature in blue ink that reads "Arthur D. Isham".
